Anne B. Gordon

TOWN MEETING WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Jaffrey, in the County of Cheshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Conant High School Auditorium, on Stratton Road in Jaffrey Village, in said Town, on Tuesday, the Twelfth day of March next, at nine o'clock in the forenoon, (Polls to remain open until six o'clock in the afternoon), to act on the following subjects:

Article 1. To choose a Town Clerk, one Selectman for three years, and all other necessary Town Officers.

Article 2. To hear all reports except that of the Budget Committee and act thereon.

Article 3. To hear the report of the Budget Committee, and to raise such sums of money as may be required for the support of the poor, building and repairing highways and bridges, fire department, police department, Memorial Day, street lights and all other town charges.

Article 4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 5. To see if the Town will vote to authorize the Selectmen to deposit in a special fund with the Trustees of Trust Funds, the proceeds from the sale of lots in Cutter Cemetery; the income of such fund to be used for the care and maintenance of said Cutter Cemetery until otherwise ordered by the Town.

Article 6. To see if the Town will vote to increase the Overseer of the Poor's salary from $300.00 to $500.00.

Article 7. To see if the Town will vote to raise and appropriate a sum of money not exceeding $5,000.00 for the construction

of sidewalks on various streets of the Town, or act in any way relating thereto.

Article 8. To see if the Town will vote to raise and appropriate the sum of $915.10 for Town Road Aid upon Class V. Highways on condition the State will contribute the sum of $6,100.64.

Article 9. To see if the Town will vote to raise and appropriate a sum of money not exceeding $1,200.00 for the purpose of purchasing radio equipment for the use of the Town of Jaffrey Fire Department. (By Petition).

Article 10. To see if the Town will vote to raise and appropriate the sum of $548.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town in cooperation with the other thirty-seven towns of the Monadnock Region.

Article 11. To see if the Town will vote to raise and appropriate a sum of money for the construction of a sewer system and the acquisition of such real estate or property that may be necessary as recommended in the survey of the firm of Camp, Dresser and McKee, Consulting Engineers. Said sum to be raised and appropriated through the issuance of serial bonds upon the credit of the Town for all or any portion of said sum, in accordance with the provisions of the Municipals Bonds Statute, New Hampshire Revised Laws, Chapter 33, Section 5.

Article 12. To see if the Town will vote to continue the present Dump Committee, and authorize them to negotiate for the aforesaid tract of land and report at the next regular or adjourned Town Meeting.

Article 13. To see if the Town will vote to raise and appropriate a sum of money not to exceed $5,000.00 to be expended for the purpose of improving the road known as Sawtelle Road to make it passable all year round. (By Petition).

Article 14. To see if the Town will vote to authorize the Selectmen to remove the street light now on pole 102-350 on Blake Street near Ray Moore's Garage, and to raise and appropriate the sum of $84.00 for the installation of a 20,000 lumen light on pole 102-349 which is located on Blake Street opposite the line dividing the property of Maurice J. Daniels and Leonard St. George, or act in any way relating thereto. (By Petition).

Article 15. To see if the Town will vote to reappropriate the sum of $11,369.90, which is the unexpended balance raised at the Adjourned Town Meeting held on May 22, 1956, and authorize the said sum of money to be expended by the Selectmen for the construction of a new highway running generally parallel with the present beach road at Contoocook Lake. The exact location to be determined by a formal layout as provided by law.

Article 16. To see if the Town will vote to raise and appropriate a sum of money to improve the street lighting on Main and Peterborough Streets.

Article 17. To see what action the Town will take in regard to Zoning. (By Petition.).

Article 18. To see if the Town will vote to raise and appropriate a sum of money for the purchase and development of a piece of land on the so-called Goodnow property, now of the Ruth Cutter Estate, southwesterly of the Legion Hall; said land to be used as a baseball field for the Pony League and as a general athletic and recreation area for the juveniles of the Town. (By Petition).

Article 19. To see if the Town will vote to raise and appropriate the sum of $23.50 for the installation of a street light on Henchman Road near the road leading to Cutter Hill in Jaffrey Center. (By Petition).

Article 20. To see if the Town will vote to raise and appropriate the sum of $47.00 for the erection of two street lights on Highland Avenue, between the residences of Fred J. Butler and Joseph T. Griffin. (By Petition).

Article 21. Shall the provisions of Chapter 287 of the Revised Laws relating to games of Beano be accepted in this Town?

Given under our hands and seal this 18th day of February, A.D., 1957.

REPORT OF POLICE DEPARTMENT

JAFFREY, NEW HAMPSHIRE

January 7, 1957

To the Honorable Board of Selectmen:

Gentlemen:

The Chief of Police herewith submits his annual report for the year 1956.

Your department investigated 523 complaints, 97 of these complaints involved juveniles, as compared with 417 in 1955.

A training school was conducted in the fall of the year for all officers of the department. Courses in Motor Vehicle Laws, Accident Investigations, Arrests and Seizures, Court Procedure and First Aid were given. Work has been started in the Police Garage on a Practical Pistol Range, the work being done by the officers of the department. An ammunition re-loading outfit has been purchased and in the near future the officers will be able to fire their weapons at a great saving.

The two-way radio for Police Headquarters which was ordered last summer in conjunction with Civil Defense has been approved and we are assured that it will be installed by early Spring.

Three new special officers were named during the year, they are; Richard Brown, Arthur Rivard and Robert Roy.

REPORT OF REVENUE TO TOWN TREASURER

Respectfully submitted,
LUCIEN E. VIGNEAULT
Chief

PARKING AND TRAFFIC REGULATIONS

As adopted by the Selectmen of Jaffrey on May 21, 1954, and further amended on dates indicated.

PARKING

All parking in East Jaffrey Village on Main, River and North Streets where parking lines are indicated on the pavement shall be in accordance with such lines. (5-21-54)

There shall be no parking at points where the pavement and sidewalk markings so indicate, or where posted signs so indicate as listed below. (5-21-54)

There shall be no parking on the West side of Peterborough Street from the corner of Cross Street Northerly 100 feet on Peterborough St. (5-21-54)

There shall be no parking on the North side of Stratton Road from Main Street at the watering trough to Ellison Street. (5-21-54)

Parking on Main Street from the corner of School and Main Streets to the railroad crossing on Stratton Road, shall be limited to a period of one hour from the hours of 8:00 A.M. to 6:00 P.M. (5-21-54)

Parking on Main Street from the corner of School and Main Streets to the railroad crossing on Stratton Road, shall be limited to a period of two hours from the hours of Midnight and 6:00 A.M. (5-21-54)

There shall be no parking within five feet of any fire hydrant. (5-21-54)

There shall be no parking on the Northeasterly side of Main Street from the Corner of Main and North Streets to the corner of Main and School Streets. (5-21-54)

There shall be no parking on the Easterly side of North Street, from telegraph pole No. 4 to the intersection of North Street and Old Peterborough Road. (7-29-54)

There shall be no parking on the Southerly side of Main Street at Jaffrey Center from the Westerly side of the Monadnock Inn property to the Westerly side of the Theodore R. Lockwood property. (8-6-54)

There shall be no parking on the North side of Stratton Road at the intersection of Stratton and Squantum Roads, between telegraph poles No. 8 and No. 9. (12-30-55)

Parking on the Westerly side of River Street beginning at the corner of Main Street and extending a distance of forty (40) feet, will be limited to a period of one hour. (11-9-56)

Parking on all streets of the Town of Jaffrey, between the hours of 11:00 P.M. and 8:00 A.M., during the period of November 1, to April 15, is prohibited. Any cars found on the streets will be towed to garages at owners expense. (11-30-56)

There will be no parking at anytime on the North side of the street running parallel to the Jaffrey Town Offices. Parking on the opposite side of the street will be limited to only one hour parking at anytime. (1-11-57)

CROSS WALKS

Where crosswalks are indicated by pavement markings, pedestrians shall have the right of way upon such crosswalks, and persons driving vehicles across such markings shall observe with due care with regard to persons crossing. (5-21-54)

U-TURNS

No U-Turns will be made on Main Street between the Easterly side of River Street and the crosswalk leading from the State Liquor Store to Betty's Smart Shop. (6-25-54)

STOP SIGNS

Stop signs shall be erected at the following places, and compliance with same shall be observed by all persons driving vehicles. (5-21-54)

1. Corner of Charlonne and River Streets.
2. Stratton Road and Rindge Road at Lake Contoocook.
3. Corner of Catholic Cemetery Road and Route 202.
4. Corner of Catholic Cemetery Road and Route 124.
5. Corner of Ridgecrest Road and Route 202.
6. Corner of Charlonne and Main Streets.
7. Corner of School and Main Streets.
8. Corner of School and River Streets.
9. Corner of North and School Streets.
10. Corner of North and Main Streets.
11. Corner of Main and River Streets.
12. Corner of Howard Hill Road and Stratton Road at Humiston Field.
13. Corner of Aetna Street and Stratton Road.
14. Corner of Gilmore Pond Road and Main Street at Jaffrey Center.
15. Corner of Academy Street and Main Street at Jaffrey Center.
16. Corner of Mills Road (Old Peterborough Road) and Main Street in Jaffrey Center.
17. Corner of Gilmore Pond Road and River Street in E. Jaffrey Village.
18. Corner of Squantum Road and Howard Hill Road at the junction near Lake Contoocook. (5-28-54)
19. Corner of North School and Main Streets. (7-9-54)
20. Corner of Grove and East Main Streets. (7-9-54)
21. Corner of Oak and Pine Streets (7-9-54)
22. Corner of K.K. Road and Peterborough Street. (8-13-54)
23. Corner of Old Peterborough Road and North Street. (12-3-54)
24. Corner of Cross Street and Old Peterborough Road. (9-9-55)

BATHING BEACHES

This regulation covers the hours of use of the public beaches at Lake Contoocook, Gilmore Pond and Thorndike Pond.

There will be no bathing at all public beaches as indicated above between the hours of 10:00 P.M. and 6:00 A.M.

A person convicted of any offense of the above regulation shall be prosecuted and subject to a fine of not more than ten dollars (10.00).

REPORT OF MEMORIAL DAY COMMITTEE

Balance on Hand January 1, 1956		$ 1.92

John Humiston Post, soda pop	5.00	
Cash on Hand	27.13	
		$401.92

This year, for the first time, we experimented with Flags set into brackets on the utility poles along Main Street. With the permission of executives of the Utilities Companies we installed these brackets, for the day, on poles in the areas where the flag holes in the sidewalks had been removed due to new construction.

Whether this is the answer to the problem, we are not quite certain. We have been advised that the number of the utility poles along Main Street may be decreased in the future.

Any constructive suggestions concerning the best method of displaying Flags along Main Street, from anyone, will be welcomed by the Memorial Day Committee.

Memorial Day Committee,

CHARLES A. BALDWIN

Chairman

REPORT OF OVERSEER OF POOR

County Tax	16,000.00
	$125,190.00

Art. 6. BORROWING MONEY. It was voted to authorize the Selectmen to borrow money in anticipation of taxes.

Art. 7. POLICE CRUISER. It was voted to raise and appropriate the sum of $1,100.00 for the purpose of replacing the present police cruiser.

Art. 8. WATER EXTENSION, "CHILDRENS WOODS." It was voted to raise and appropriate the sum of $75.00 for the purpose of furnishing water service to the so-called "Childrens Woods."

Art. 9. TOWN ROAD AID. It was voted to raise and appropriate the sum of $919.47 for Town Road Aid on Class V. Highways on condition that the State contribute the sum of $6,129.82.

Art. 10. SIDEWALKS. It was voted to raise and appropriate the sum of $5,000.00 for construction of sidewalks on various streets of the Town.

Art. 11. STATE AID-COMPACT AREA. It was voted that further consideration of this article be adjourned to an adjournment of this meeting to be held on May 1, 1956.

Art. 12. CHEVROLET TRUCK. It was voted to raise and appropriate the sum of $2,200.00 to purchase a new truck to replace the present 1950 Chevrolet truck.

Art. 13 ZONING ORDINANCE. It was voted to raise and appropriate the sum of $200.00 for the Planning Board for a study of a zoning ordinance for Jaffrey.

Art. 14. MONADNOCK REGION ASSOCIATION. It was voted to raise and appropriate the sum of $542.00 to the Monadnock Region Association of Southwestern New Hampshire.

Art. 15. FIREMEN'S PAY. It was voted to increase the pay of members of the Jaffrey Fire Department to $1.25 per hour.

Art. 16. BEACH ROAD. It was voted that a committee consisting of the Selectmen, the Highway Agent and three persons to be appointed by the Moderator make a survey and estimate for a new highway generally parellel with the bathing beach at Contoocook Lake and report their findings to an adjournment of this meeting to be held in Union Hall on Tuesday, May 1, 1956 at 7:30 o'clock P.M.; and any expense incurred to be a charge against the appropriation made under Article 14 of the 1955 Town Meeting.

Art. 17. STREET LIGHTS, MAIN AND RIVER STREETS. It was voted to pass over this article.

Art. 18. CIVIL DEFENSE. It was voted to raise and appropriate the sum of 350.00 for Civil Defense, the same to be expended under the direction of the Selectmen.

Art. 19. SEWER SURVEY. It was voted to raise and appropriate a sum not exceeding $5,000.00 to be expended for the purpose of engineering services for proposed sewage disposal facilities, the same to be expended under the direction of a committee of three to be appointed by the Moderator and Selectmen.

Art. 20. NEW HAMPSHIRE MARINE MEMORIAL. It was voted to raise and appropriate the sum of $25.00 to the New Hampshire Marine

Memorial Campaign for a monument to be erected as a memorial to the lost-at-sea heroes of the Army, Navy, Air Force and Coast Guard.

Art. 21. TOWN DUMP. It was voted that the Selectmen appoint a committee of three to investigate a new location for the Town Dump and report to the next Annual Town Meeting.

Art. 22. STREET LIGHTS ON RINDGE ROAD. It was voted that the Selectmen be instructed to arrange for the installation of two street lights on the Rindge Road between the present Squantum Road and the residence of John B. Hazleton, and that $47.00 be raised and appropriated to pay for the same for the ensuing year.

Art. 23 MICHIGAN ROAD. It was voted that further consideration of this article be deferred to an adjournment of this meeting.

The following resolution was offered and adopted by a unanimous vote: Resolved, that the appreciation and thanks of the Town be extended to the retiring Town Clerk, George H. Duncan, for his long and faithful service to the Town in many capacities.

Art. 24. BEANO. The vote on the question of Beano, was:

"Yes" – 549 "No" – 271

The meeting adjourned at Twelve midnight.

A true abstract.

ALBERT J. MORIN,
Town Clerk

ABSTRACT OF BUSINESS TRANSACTED AT THE ADJOURNED TOWN MEETING, MAY 1, 1956

Art. 11. STATE AID-COMPACT AREA. It was voted to pass over this article.

Art. 16. BEACH ROAD. It was voted that after this meeting had acted on Article 23 of the warrant, and such other business as may legally come before this meeting, then the meeting be adjourned to May 22, 1956 at 8:00 P.M., at the same place, at which time and place action shall be had on this article and that the committee already appointed continue its work and report at the adjournment of this meeting and the committee report on both routes and estimate of cost.

Art. 23. MICHIGAN ROAD. It was voted to raise and appropriate the sum of $2,000.00 for improvement of the road leading from Howard Hill Road to Michigan Five Corners so-called.

It was voted to adjourn until 8:00 P.M. May 22, 1956.

The meeting adjourned at 8:45 P.M.

A true abstract:

ALBERT J. MORIN
Town Clerk

ABSTRACT OF BUSINESS TRANSACTED AT THE ADJOURNED TOWN MEETING, MAY 22, 1956

Art. 16. BEACH ROAD. It was voted to raise and appropriate the sum of $6,000.00 which together with the balance remaining from the appropriation of $6,500.00 made under Art. 14 of the Annual Town Meeting of 1955; shall be expended under the direction of the Committee appointed under Art. 16 of the Annual Town Meeting of 1956, for the laying out and construction of a new highway generally parallel with the present beach road at Contoocook Lake, but lying northerly and back of the buildings now served by said beach road, leaving the new Squantum Road, so-called, about four hundred northerly from its' intersection with the present Squantum Road about three hundred feet easterly from the junction of the Squantum Road with Rindge, together with another section of new highway, connecting the previously described new highway with the Rindge Road about one hundred fifty feet.

The meeting adjourned at 9:10 P.M.

A true abstract:

ALBERT J. MORIN,
Town Clerk

TOWN CLERK'S RECORD OF ANNUAL TOWN MEETING, MARCH 10, 1953

ARTICLE 16. POOLE FUND COMMITTEE

Mr. Moderator:—

Accompanying this letter is a detailed report of the financial transactions of the POOLE FUND COMMITTEE, for the entire year of 1952, and every dollar is therein accounted for.

I am leaving to your good judgment the matter in which this information, or any part of it, should be made public.

The committee have, in the past, refrained from publishing the list of the beneficiaries of the fund, not because it had anything to hide, or ashamed of its judgment in making decisions, but because of the sensitiveness of the recipients of the fund.

When a catastrophe occurs; or an emergency exists, or an education opportunity is available, there is no disgrace in letting others, temporarily, share the burden; but doesn't lighten the load very much, if such assistance is accompanied with wide publicity.

The Committee has given most careful consideration to every application received, in the light of "Does the emergency exist? Does it conform to the terms of the Trust? and is this the best way to meet the need? and the answer to those three questions, have governed its decision for rejection or acceptance."

Of course the committee realize that it is handling TRUST FUNDS and every necessary safeguard should be used to operate and maintain the funds, according to instructions, and that certain public officials should be furnished with whatever detail they may require to be satisfied that the trust is being properly administered, but I do hope that the voters of Jaffrey have sufficient confidence in the honesty and integrity of the members of the committee, and the elected town officials, so that it will not be necessary to humiliate the beneficiaries of the fund, with too much publicity.

Respectfully,

FRANK H. BALDWIN

Chairman Poole Fund Committee

East Jaffrey, N. H.

March 5th, 1953

P.S., — Since writing the letter which you have just heard, an article has appeared in the Jaffrey Recorder, which prompts me to add the following, — In reference to the proposed motion, I most certainly resent its implication that the members of the Poole Fund Committee, are a "bunch of crooks."

Mrs. Poole evidently had confidence that the organizations whom she selected, would wisely choose its members to serve according to her expressed wishes, and I believe if all the facts and details were published, that the people of Jaffrey would decide that the committee has done a credible job, on a sizable responsibility.

Had Mrs. Poole wanted any such publicity and restrictions as the motion proposes, she could easily include them in her will.

If you don't like the committee, then change the personnel, which can be done by requesting the organizations Mrs. Poole designated, to make other selections, but don't change the rules and make the fund ineffective to assist the very people whom Mrs. Poole wanted to help.

If you want to "strangle or bottleup," the fund and have the interest accumulate from year to year, doing no one any good, you can accomplish it quite easily by voting for the motion now under consideration, for with the proposed restrictions imposed, I very much doubt if many people will care or even dare, to apply for needed assistance, with so much red-tape and publicity demanded.

Had Mrs. Poole realized that her benevolence fund, so generously provided, would be operated according to the terms of this motion, I very much doubt if she would have willed the town a single dollar, and neither will anyone else.

I believe the motion defeats the very purpose for which the fund was created.

Let's do honor to the memory of the lady who did much unpublished good, with her money while living and who planned to have that good continued in the same quiet unobtrusive manner, through the operation of the fund she created, by defeating this motion, and let the fund continue to help people according to her wishes expressed in her will, and not according to someone elses idea.

I HOPE THE MOTION DOES NOT CARRY.

Respectfully,
FRANK H. BALDWIN

EXTENSIONS

1956

June — 6" Extension, West side of Lake Contoocook, 884 ft. 6" Universal pipe used. Total Cost $2,418.13

July — 6" Extension, Rindge Road to residence of Margaret Paradise, 298 ft. 6" Universal pipe used. Total Cost $1,218.21

July-Aug. — 6" Extension, Highland Avenue to residence of Joseph T. Griffin, 708 ft. 8" Universal pipe used. 1 Hydrant Total Cost $3,050.70

October — 6" Extension off Ridgecrest Road to residence of Norman P. Letourneau, 524 ft. 6" Universal pipe used. Total Cost $1,550.91

October — 6" Extension, Wheeler Street to Aetna Street, 300 ft. 6" Universal pipe used. Total Cost $1,330.45

November — 6" Extension, Prospect to residence of Albert Robichaud, 562 ft. 6" Universal pipe used. Total Cost $1,691.23

MAJOR HYDRANT, VALVE AND MAIN LINE REPAIRS

Extended hydrant on River Street	$ 33.73
Moved and extended hydrant on School Street	191.83
Moved and extended hydrant on Old Peterborough Road	140.14
New 6" Gate Valve on Peterborough Street	107.37
Break in 6" line on Howard Hill Road repaired	107.46

ALTON C. EAVES
Superintendent

The following letter from the engineering firm of Camp, Dresser and McKee, has been received by the Water Commissioners of the Town of Jaffrey.

The Water Commissioners are publishing the letter in its entirely in the Annual Town Report for the year 1956, in order that the taxpayers of the Town of Jaffrey be acquainted with the conclusions and recommendations of the Consulting Engineers.

The Board of Water Commissioners
Jaffrey, N. H.

Gentlemen:

REPORT ON WATER WORKS IMPROVEMENTS

In accordance with authorization contained in your letters of September 19, 1955 and August 21, 1956, we have completed a comprehensive engineering investigation of the Jaffrey Water System. The results of our studies are presented in detail in the following report. Our conclusions and recommendations are summarized below.

SUMMARY

The present population of Jaffrey is approximately 3100. The present average water consumption is estimated to be about 300,000 gpd (gallons per day). We estimate that by 1980 the population of Jaffrey will have increased to about 3700, and the water consumption to 460,000 gpd on the average day and 690,000 on the maximum day, with peak hourly flows in excess of 1,000,000 gpd. The proposed long-range program recommended herein has been designed to meet these estimated future demands.

The estimated safe yield of Bullet Pond during periods of severe drought is about 250,000 gpd, and that of Poole Reservoir (Mountain Reservoir) about 120,000 gpd, representing a total estimated safe yield of 370,000 gpd. It is evident, therefore, that the existing sources of supply, though adequate at present, must be supplemented in the relatively near future to make up the deficiency.

Our studies show that Poole Reservoir has ample yield to care for the foreseeable future water consumption requirements of the Jaffrey Center system, with some surplus available for East Jaffrey. Our investigation indicates that the best source of supplementary supply for East Jaffrey is the construction of a new gravel-packed well on East Main Street.

Although the existing sources of supply have sufficient combined yield to meet the present water consumption requirements for the Town as a whole, water shortages have nevertheless been experienced during the summer in recent years, and it has been found necessary to place restrictions on the use of water. The reason for these difficulties is the inadequate capacity of the old 12-in. supply main leading from Bullet Pond to East Jaffrey, which has lost more than one-half of its carrying capacity. During periods of low pressures in East Jaffrey, water is fed into the East Jaffrey system from the higher Jaffrey Center system through an automatic pressure control valve to increase the pressures; however, the Poole Reservoir supply serving the Jaffrey Center system does not always have sufficient reserve for this purpose.

Our studies also show that, because of the inadequate capacity of the Bullet Pond supply main, flow available for fire protection in the East Jaffrey business district is less than one-half of that required, even when the higher Jaffrey Center system is contributing flow to East Jaffrey at the maximum rate.

We have studied a number of schemes for providing increased pressures and improvel fire protection in East Jaffrey, including cleaning the 12-in. supply main followed by chemical treatment of Bullet Pond water to prevent further corrosion, cleaning and cement-lining the existing 12-in. main installing a new 14-in. supply main to supplement the existing 12-in. main and the installation of booster pumps in the 12-in. supply main near Bullet Pond with a standpipe near the Town. The Schemes involving cleaning of the 12-in. main would not provide sufficient hydraulic capacity for future conditions and the installation of a new 14-in. supply main was found to be too costly. The plan involving booster pumps and standpipe would allow higher and more uniform pressures in East Jaffrey than under the other schemes, would provide better fire protection and would work more effectively with a new well supply.

Construction of the standpipe and booster pumps could be deferred for some time by the initial installation of a new gravel-packed well on East Main Street. The new well could be used to increase pressures in East Jaffrey during periods of maximum consumption. The well would not, however, greatly increase the flow available for fire protection. Furthermore, as the water consumption increases in the future, it will eventually be necessary to install the booster pumps and standpipe in order to effectively utilize the yield of Bullet Pond. Thus construction of the well is seen not as an alternate to construction of the tank, and booster pumping facilities, but rather as a means of postponing their construction.

Although the water from Poole Reservoir is metered and chlorinated, the water from Bullet Pond, the principal source of supply is neither metered nor chlorinated. In our opinion all surface supplies serving municipal water systems should be chlorinated. A chlorination installation for Bullet Pond would necessarily include a main-line meter which would allow records of water usage to be kept. We therefore recommend the prompt construction of a chlorination building near Bullet Pond, the proposed building to contain sufficient space for the future installation of booster pumping equipment.

As a result of our investigation, we recommend the following long range construction program. The program is divided into two stages, an initial program recommended for immediate construction and a future program for construction as soon as local financial considerations permit.

The proposed initial program includes the chlorination building and the new well and pumping station. The chlorination building will be of brick construction on a concrete foundation, and will contain metering facilities, chlorine feeder and solution tank and miscellaneous equipment. Space requirements and piping layout will be planned for two future booster pumps. The estimated cost of construction of the chlorination building and appurtenances, including an allowance for engineering and contingencies, is $15,600.

The proposed gravel packed well will be about 50 ft. in depth and will contain a 300 gpm electric motor-driven pump. The pumping station will be of brick construction on a concrete foundation and will contain in addition to the pump the required piping, valves, meter, electrical equipment and small chemical feeder for corrosion control. A new 10-in. cast iron force main about 2000 ft. long will be laid from the pumping station to connect to the existing system at the intersection of East Main Street and Oak Street. The estimated cost of construction of the well, pumping station and force main, including an allowance for contingencies and engineering, but not an allowance for land, is $54,000. The overall estimated construction cost of the chlorination building and well supply proposed for the initial program is $69,600.

The proposed future program consists of the installation of booster pumps and control equipment in the proposed chlorination building near Bullet Pond and the construction of a standpipe and connecting main on North Street. The standpipe will have a capacity of 400,000 gallons and will be of all welded steel construction. A 12-in. cast iron main about 4200 ft. long will extend from the junction of North Street and North School Street to the new tank. The estimated cost of construction of the proposed future program is $117,000.

We appreciate the cooperation of the Board during this investigation and are indebted to Mr. Alton C. Eaves, Superintendent, and Mr. Albert J. Morin, Treasurer, for information and assistance. We also appreciate the assistance and advice furnished to us by the State Health Department, particularly in connection with water analysis.

Very truly yours,

CAMP, DRESSER & McKEE

By: Joseph C. Lawler

SCHOOL NURSE

Ruth S. Langille, R. N.

B. No-School Signal

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the fire alarm system at 7:00 A.M., and by having it announced over radio station WBZ at the same time approximately. When the No-School Signal is given it means that there will be no school all day. If on a day when the weather looks so bad that one suspects there will be no school and by 7:10 has not heard the no-school whistle nor the no-school announcement on the radio, one can find out if there is to be no school by asking the telephone operator.

C. Calendar

1957		
April	19	Schools close — Spring vacation — Close at 12:15 (Good Friday)
April	29	Schools reopen
May	30	Schools closed — Memorial Day

Dec.	20	Schools closed — Christmas vacation
1958		
Jan.	6	Schools reopen
Feb.	21	Schools close — Winter vacation
Mar.	3	Schools reopen

D. Report of District Clerk

At a legal meeting of the School District of Jaffrey at the Conant High School Gymnasium in said Town and on the 12th day of March, 1956, at 7:30 o'clock in the evening, pursuant to the foregoing warrant:

Meeting was called to order by the Moderator, Jason C. Sawyer, and the warrant was read by him with the return of the same.

Mr. Merton Robare moved we take up other Articles in Warrant before Articles 1, 2, 3 and 4, to be voted on by ballot. Seconded and unanimously carried.

Article 5: Mr. George Robinson moved and it was seconded that the salaries of the School Board and other District Officers be as follows:

Each School Board Member	$20.00
Treasurer	50.00
Clerk	5.00
Moderator	5.00
Each Auditor	20.00
Each Ballot Clerk	5.00

Unanimously carried.

Article 6: Mr. Ernest Pratt moved, and it was seconded, that the reports be accepted as printed in the Town Report. Mr. Arthur Coll moved that the reports be printed in more detail, all expenditures, and to include the amendment as part of the motion. Adopt motion accepted and amended by Mr. Coll, meeting suggests that the School Board include a complete detail of the finances of the District next year. Seconded and carried.

Article 7: Prescott Duncan moved that the Auditors elected March 13th at the Town Meeting to audit the Town books serve as School Auditors. Seconded and carried.

Article 8: Mr. Ernest Pratt moved that the School District raise and appropriate $229,293.00 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of State Aid, and upon the determination of the amount of State Aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against such appropriation the sum to be received from State Aid and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes. Seconded. Amended to include $3,300.00 — No. 26 of budget. Appropriate $232,593.00. Seconded and carried.

Article 9: Mr. Leon H. Hunt moved that the District raise and appropriate $5,500.00 for pointing, caulking and waterproofing the brick masonry walls of the original section of Conant High School. Seconded. Discussion. Carried.

Article 10: Mr. Francis Devlin moved that the District raise and appropriate in addition to the original appropriation for 1955-56 the sum of $4,991.25 to be made available to the School District prior to July 1, 1956, in order to meet unanticipated obligations caused by increased costs of transportation, emergency repairs, increased Retirement System charges and decreased tuition receipts. Seconded. Discussion. Carried.

Article 11: Mrs. Evelyn Ruffle moved that the District raise and appropriate in addition to the original appropriation for 1954-55 the sum of $4,359.61 to be made available to the School District prior to July 1, 1956, in order to meet unanticipated obligations caused by an operating loss in the School Lunch Program. Seconded. Discussion. Carried.

Mr. Merton Robare questioned if any contest on ballot. Ballot read. Moved that Merton Robare cast one ballot for —

Myrtle J. Hazleton, School District Clerk

Ernest J. Pratt, Member of School Board for Three Years

Robert P. Haynes, Member of School Board for Three Yaers

Lawrence W. Brown, School District Treasurer

Jason C. Sawyer, School District Moderator

Seconded and unanimously carried. Mr. Robare cast one unanimous ballot and polls were declared closed.

Those present took oath in open meeting.

Voted to adjourn at 9:53 P.M.

A true copy.
Attest:

MYRTLE J. HAZLETON
School District Clerk

E. Warrant

To the Inhabitants of the School District in the town of Jaffrey qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium on the 11th day of March 1957 at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose two members of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and fix the compensations of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

9. To see if the district will vote to raise and appropriate in addition to the original appropriation for 1956-57 the sum of $4,537.98 to be made available to the school district prior to July 1, 1957, in order to meet unanticipated obligations caused by necessary grading, seeding, and tarring the high school grounds and increased costs of fuel.

10. To see if the district will vote to raise and appropriate the sum of $6,000.00 for the purchase of a school bus.

Given under our hands at said Jaffrey this 6th day of February, 1957.

ERNEST J. PRATT
LEON H. HUNT
EVELYN H. RUFFLE
GEORGE C. ROBINSON

		SUPERVISORS		
Castle, Lawrence A.	Music Supervisor	B. M., '51, Houghton College	2	2,900.00
Miller, Gerald A.	Art Supervisor	B. A., '53, U. N. H.	2	1,400.00

B. Program and Methods

CONANT HIGH SCHOOL

There were four changes in the staff at Conant High School this year: Miss Avanis G. Dawson, Girls Physical Education, Grades 1-12; Mr. A. Scott MacKinlay, Boys Physical Education; Mr. Charles H. Howe, Mathematics, Grades 8-9; and Mr. Gerald A. Miller, Art Supervisor.

The following student co-curricular activities have been conducted and are being conducted.

- Boys and Girls Athletics
- Glee Club — Junior and Senior High
- Dramatics
- Band — Junior and Senior Band
- School Assemblies
- Student Councils
- Student Leader Corps. (Boys and Girls)
- School Newspaper

The Student Council has been very active at the school this year and was host to several schools in the Monadnock Region at a regional meeting held at Conant High School in October of 1956.

One major change has occurred regarding girls' basketball, which is that all girls' games are being played in the afternoon.

In the spring of 1956 the Conant High School baseball team with their coach, Mr. Roland Boucher, had a most successful season and annexed the State Class "B" Championship in a playoff game at Lebanon, New Hampshire, against Littleton High School.

The school band under the leadership of Mr. Lawrence Castle has made considerable progress this past year. The pupils and the school were extremely pleased when they received an invitation to play for the Memorial Day parade.

During the first semester of 1956-57, an extension course in Educational Psychology was conducted at Peterborough High School. Several of the teachers from Conant High have been attending this class.

GRADE SCHOOL

Once again the teaching staff of the Jaffrey Grade School remained very stable with only one new member joining in the fall of 1956. Miss E. Betty Burnham accepted a position in Keene, New Hampshire, and was replaced by Mrs. Amy Castle, a teacher of several years' experience. Mrs. Eloise Mosley's resignation was accepted on December 31, 1956, and the school secured the services of Mrs. Elson Herrick as her replacement. Mr. Gerald Miller is the new art supervisor.

No startling changes have been made in the program of studies this past year. The teachers in Grades 2 and 3 are introducing the Child's method of spelling to their classes. This method places a strong emphasis on the phonetic aspect of this subject.

The music program has been enriched by the addition of a flutophone band, which has presented several concerts in conjunction with the chorus.

Approximately 20 pupils in Grades 4 and 5 are receiving private instruction in instrumental music this year. This instruction is most necessary to provide new members for the Conant Band. It is hoped that in the future a sufficient number of interested pupils will make it possible to have an elementary band in addition to the high school band.

Under the direction of the Helping Teacher, Robert Filbin, the sixth grade teachers of Conant High School joined with the staff of the Grade School in a series of after-school teachers' meetings. During these meetings the present program of studies was evaluated and the accomplishments and objectives of each grade level were explained. As an outcome of these meetings, a most inspiring and profitable one-day workshop was held in Peterborough, October 8, 1956, under the able direction of Dr. Alice Crossley, of Boston University.

A much needed improvement of the school grounds was made this year when the thorn trees on the boundary line of the school were removed and replaced by a wire fence. At the same time the old board fence near the auditorium was replaced with wire fence. The playground area was improved by the removal of a number of large rocks and gravel was placed over much of the unsurfaced area.

In making his report to the Superintendent, Mr. Craig, the principal states," During these times when elementary schools are under constant criticism for failure to teach the fundamental skills of learning, we feel our school has never lost sight of the fact that this is and has been our main teaching responsibility. Our teachers are constantly alert and searching for all additional helps that will enable us to do this work in a more effective manner."

PART III. SCHOOL PLANT

A. Insurance

Fire and Extended Coverage on Jaffrey Grade School and Auditorium and Contents	$196,000.00
Fire and Extended Coverage on Conant High School and Contents	341,000.00

PART V. CHILD ACCOUNTING

A. Promotions to High School

The following 63 pupils as compared to 42 in 1955, and 42 in 1954, were promoted to High School in June, 1956:

Katherine Allard, Robert Bacon, Delcie Bean, Rose Bezanson, George Blair, Joyce Blair, Joyce Boudrieau, Teresa Bryant, George Burgoyne, Philip Burgoyne, Hazel Caldwell, Roselyn Carpenter, Francis Christian, Vernon Christian, Marie Cournoyer, Gerald Daniels, David Darling, Susan Darling, Sandra Davis, John Doten, Mary Duval, Paul Eastman, Joyce Emery, Valerie Forcier, Howard French, Jr., Vivian Gagnon, Peter Garland, Joanna Grummon, Carole Hackler, Frank Hale, Arthur Hampson, III, Shirley Hannon, George Harling, Shirley Hautanen, William Hautanen, Jayne Haynes, Eugene Hebert, Robert Heikkila, Marilyn Hughgill, Eric Johansson, John Kirschner, Caroline Krause, Johanna Kulish, Francis Lambert, Allen Leach, Richard Lynch, Carolyn Martel, Shirley Murby, Peter O'Connor, William O'Neil, Richard Ouellette, Phyllis Pelkey, Anita Proulx, Joan Raymond, Janice Roy, Susan Sargent, Carolyn Sasner, Kenneth Sawtelle, Josephine Shields, Yvonne Tabor, Susan Taylor, Roger Tremblay, and Virginia Whitney.

B. Graduations from High School

Twenty-six students, as compared with twenty-three in 1955, and forty-two in 1954, were graduated from Conant High School in June, 1956.

Arnold L. Baldwin, Margaret A. Bean, Norman C. Bosse, Leonard G. Burgoyne, Archie L. Coll, Hector J. Courchene, Mary J. Crowner, Peter B. Davis, Joseph T. Deschenes, Melvin A. Duval, Jacqueline Eaves, Wayne W. Faery, Helena M. Fish, James A. Fish, Carter F. Fontaine, Bernard E. Gagnier, Judith Ann Hammond, Robert W. Hautanen, Myra H. Heikkila, Andrew J. Pelletier, David I. Perry, William C. Royce, David K. Shattuck, Kathleen T. Despres, Helen Van Blarcom, and John A. White.

Each year this report lists the number of graduates from Conant High School and their future plans. During the past five years (1951-1956) one hundred and sixty-eight students have graduated from Conant High School.

Of these, fifty-three are furthering their education as follows:

Colleges and Universities	29
University of New Hampshire	12
Keene Teachers College	6
University of Pennsylvania	1
Boston University	1
Boston University Law School	1
Northeastern University	1
Bryant College	1
University of Connecticut	1
Clark University	1
Cornell University	1

Wellesley College	1	
Russell Sage College	1	
Ohio Wesleyan College	1	
Professional and Technological Schools		4
Franklin Technical Institute	1	
Wentworth Institute	1	
Museum of Fine Arts	1	
Houle's Beautician School	1	
Junior Colleges		2
Becker Junior College	2	
Schools of Nursing		13
Henry Heywood Memorial Hospital	3	
Concord Memorial Hospital	1	
Burbank School of Nursing	1

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

The policy of the Jaffrey school health services remains unchanged: to keep the children well; to help promote normal growth; and to correct any condition which might prevent best work in school.

Dr. Franklin Sterling continues as school physician by appointment of the School Board. He continues his policy of examining the odd numbered grades every year so that each child receives an examination every other year. He also examines pupils as the need arises, including all sports participants.

The school physician's examination consists of a check of the chest including heart and lungs. He checks nose, ears and eyes, and gives special attention to dental and throat conditions. He notes general appearance of skin and nutrition as well as posture. Each boy is checked for possible hernia or genital abnormalities.

The school doctor does not treat or prescribe. If any condition is found the parents are notified to take their child to their own physician or dentist for treatment.

The doctor is available for advice in epidemics or emergencies. He gives the immunizing shots in the disease prevention programs, such as Salk Polio Vaccine, Diphteria-whooping cough-tetanus shots, and in a few cases small-pox vaccine for underprivileged children.

The services of a full-time nurse are provided by the School Board. Some of her duties are:

To see that each child has a disease census and health record card.

To carry out the inspection of all pupils. To assist the school physician in the examinations of the pupils in the odd numbered grades, followed by notices to parents and by home visits or phone calls.

To conduct vision and hearing tests and carry out necessary follow-up work to help with corrections.

To stimulate interest and assist at all clinics: dental; T.B; eye; immunization, etc.

To assist in the control of communicable disease through teaching the recognition of early symptoms, the importance of isolation and the value of immunization.

To inspect pupils and take heights and weights and record all data on the health record cards.

To make monthly reports and records.

To show the value of adequate health supervision and facilities for medical aid and to assist in securing the correction of defects.

To help conduct the spring round-up and enrollment of entering pupils, with a health history entered on the health record card, as well as a screening of vision, hearing and general health.

To develop relationships and to coordinate school health activities with resources of school, home, and community.

To act as a visiting teacher, the link between home and school.

COMMUNICABLE DISEASE CONTROL

We still have problems with communicable disease including colds. Children who show symptoms of communicable disease should remain at home. Sending a half sick child to school for the nurse to inspect is dangerous to the child and exposes other children to the infection before the ill child can be returned to the parent.

The child should not be sent to school with one or more of the symptoms of a communicable disease:

Sneezing and coughing; a newly wet running nose; red watery eyes; sore or inflamed throat; headache; vomiting; or general malaise. Fever or rash should be looked upon as signs of communicable disease.

Children who come in busses should have careful inspection before leaving home and should be kept home if they show any symptoms of illness. The close contact involved in transporting such children and the difficulties in returning them home call for the closest cooperation.

DENTAL CLINIC

A dental clinic, sponsored by the Jaffrey Woman's Club was conducted with a limited budget. It enabled 37 pupils, who could not have received complete dental work any other way, to be done. This involved 13 clinic half days with 80 visits. These had 69 fillings; 28 extractions; 25 examinations and oral prophylactic treatments; 10 X-rays; and 3 treatments. Dr. Raymond Moore was the dentist. Many more were still left on the waiting list when the money was spent.

SALK POLIO IMMUNIZATION

First and second shots were given to 424 pupils and pre-school children. More shots, including a chance for third shots, are now available for all children age 2 months through 19 years.

GLASSES

Those pupils needing glasses who were unable to afford them were helped with the fund provided for the purpose by the Jaffrey Community League. The pupils who were fitted showed a noticeable improvement in school work.

STATISTICAL REPORT

Total classroom visits		1705
To Grade School rooms	1040	
To Junior High rooms	540	
To High School	125	
To High School Office		166
To Grade School Office		171
Home visits		599
Pupils examined by doctor (Odd numbered grades; sports participants etc.)		406
Inspected by nurse		617
Defects found		556—0.9 per pupil
Defects corrected		361-64% of defects
Without defect		441-71% of pupils

Some common defects found:			Corrected:
Vision		68	49 plus glasses already worn 47
Teeth		475	
Tonsils	7	5	306
Orthopedic	1	1	
Posture	5		

SPECIAL WORK WITH PUPILS

Vision tests	648

Bad colds	71

CLINICS AND REFERRALS

Dental appointments	87
Mental Hygiene	1
To physicians	144
To oculists	18
To hospitals	6
Orthopedic (Manchester)	1
Boston Eye and Ear	1
Pre-school registration exams.	56

MEETINGS AND CONFERENCES

Professional meetings, conferences and workshops in the area of School-Nurse-Teacher interests took 7 days time, several of these on Saturdays. Places of meetings were Keene, Concord, Manchester, Nashua, Peterborough and Jaffrey.

RUTH S. LANGILLE, R. N.

B. Helping Teacher's Report

A DAY WITH THE HELPING TEACHER

by Robert L. Filbin

Monday morning starts bright and early for the Helping Teacher as it does for any teacher. At breakfast his head is full of things that are to be accomplished or worked on during the week.

Between eight and nine o'clock he is at his desk in the Supervisory Union Office to see what correspondence and telephone messages are to be answered. There are letters concerning an appointment for a child at Winant House which must be confirmed, another requesting copies of report cards shows that other people are interested in improving their marking system; here's one asking for a rating of a teacher who was employed in his school system the previous year. Here's a note from a teacher in one of the outlying towns requesting that the Helping Teacher bring supplementary materials for pupils in her class when he visits her school the next day.

The office secretary has noted calls from the school nurse who wishes to discuss a problem in health education — another from a teacher at a neighboring private school looking for information on the handwriting system used in the supervisory union schools and one from a parent requesting a conference regarding her child who is having problems with his reading. When these have been dispatched with there is a nine o'clock appointment at the local high school with the principal and two shop teachers to discuss requisitions for supplies and the course of study for the shop classes. This lasts until 10:15 when the Helping Teacher is scheduled to visit a fifth grade class to observe a reading group at the request of the classroom teacher to listen to two particular children read. The teacher has been puzzled as to what to do about these children who had not been developing as she had hoped they would and she would like his advice as to what to do about them. At eleven he drops into the classroom of a new teacher to see how she is making out with her teaching and classroom management. He observes the teacher, takes time to make some comment and suggestions and then it is time for lunch. Today he will eat with the high school principal and the math teacher who want to talk about a special project she would like to start. After lunch he is scheduled to visit an elementary school in an adjoining town for general observation. Here he visits, talks with the principal, the teachers, the boys and girls — observing the work that is being done and answering questions which the teachers have. He is scheduled to meet with these teachers at the

close of school, but time out at three o'clock to have a cup of coffee in the teachers' room and to talk informally about the day's work. They have been working on an evaluation of their school curriculum under his supervision. This is the second meeting and three teachers present reports on their teaching activities. These are followed by group discussion and evaluation and suggestions for the next meeting.

By this time it is four forty-five — time to check in at the office to sign correspondence, look at the afternoon mail and have a chat with the Superintendent about the day's observations. The day ends at five o'clock or sometimes after — no — there's a special school board meeting this evening. That may end at nine or perhaps eleven.

The days are varied but for the main part are made up of events as described above.

The Helping Teachers reads and studies to keep abreast of current trends. He participates in community activities and takes the opportunity to meet and talk with the parents and citizens of the community. He works with representatives of the press to help acquaint the public with the good things that are going on in the schools he serves.

In addtion to making contributions to the literature, preparing bulletins and other publications for use in the schools, he makes evaluative studies and conducts experimental projects in the schools with the improvement of instructional practices in mind.

Constantly the Helping Teacher is moving among teachers and principals. He is aware of the problems which face teachers and he must be prepared to help them find solutions to these problems. That is his job.

REPORT OF THE TOWN OF JAFFREY SEWER COMMITTEE

The Sewer Committee appointed at the Annual Town Meeting held in Jaffrey on March 13, 1956, have received a complete and detailed report from Camp, Dresser and McKee, Consulting Engineers. The Committee is publishing in the Annual Town Report for the year 1956, the findings and recommendations of the engineers in order that the citizens of the town might be informed of the sewerage conditions that exist at the present time, and what should be done in the matter of a long range program for the betterment of the present sewerage system in the Town.

The Committee urges serious study of this, because of the following factors:

1. There will be available from Federal funds one-third of the cost of the project if carried out. The estimated cost of the initial program is $276, 000 less a Federal grant of $92,200.

2. State permission to dump sewerage in Cretia Brook expires this year.

3. The sewerage work on Peterborough Street can be done more economically and more conveniently prior to the rebuilding of the roadway.

The Sewer Committee
c/o The Board of Selectmen
Town of Jaffrey
Jaffrey, New Hampshire

Gentlemen:

REPORT OF COMPREHENSIVE PLAN FOR SANITARY SEWERS IN JAFFREY, NEW HAMPSHIRE

In compliance with the terms of our proposal by letter dated February 13, 1956, to your Board of Selectmen, and in compliance with a letter of authorization dated May 24, 1956, signed by Mr. Albert J. Morin, Town Clerk and Treasurer, we have made a preliminary engineering study to develop a long-range plan for the extension of sanitary sewers and for the interception and treatment of sewage in the Town of Jaffrey, New Hampshire. The results of our studies are presented in detail in the following report. Our findings and recommendations are summarized below.

SUMMARY

The proposed plan for a comprehensive sewerage system and treatment plant facilities is shown on the accompanying map. The plan shows the proposed Peterboro Street interceptor to be constructed on Peterboro Street from near the intersection with East Main Street to the location of the proposed treatment facilities near the Contoocook River about ½ mile downstream from Cheshire Village. The plan shows the proposed Cretia Brook interceptor which will start at the existing settling tank off New Squantum Road and proceed along Cretia Brook to East Main Street, thence along East Main Street and northerly along Cretia Brook to the Peterboro Street interceptor. In addition to the two main interceptors, three small pumping stations will be required to boost the sewage into the interceptors, all as shown on the accompanying map.

A study of the degree of treatment required by sewage to be discharged into the Contoocook River indicates that more than primary treatment will be required in order to prevent the creation of a nuisance in the pool just north of Peterboro Village and in order to comply with the classification that may appropriately be applied to the Contoocook River. Our investigation indicates that sewage stabilization ponds will provide adequate treatment at an initial cost of about $77,000, whereas, a conventional complete treatment plant including Imhoff tanks, high rate trickling filters, final settling tanks and chlorination will cost initially about 2.5 times as much. We therefore recommend the construction of sewage stabilization ponds.

We recommend an initial construction program consisting of the Cretia Brook interceptor from East Main Street to the Peterboro Street interceptor, the Peterboro Street interceptor from near East Main Street to the main pumping station, the main pumping station and force main, and one stabilization pond, all as indicated on the accompanying map. The estimated cost of this initial program is $276,000. We further recommend that the Town apply for a federal grant under Public Law No. 660 in the amount of approximately $92,200, the receipt of which would leave a balance of about $184,400 to be raised by the Town.

The estimated cost of construction of the proposed long-range plan as shown on the accompanying map, is $1,148,600 at present prices.

We wish to acknowledge with thanks the information and assistance furnished us by Mr. Henry J. Belletete, Road Agent, Mr. Albert J. Morin, Town Clerk and Treasurer, the Sewer Committee consisting of Mr. Merton W. Robare, Mr. Robert P. Haynes, and Mr. Henry J. Belletete, and the Board of Selectmen consisting of Ralph E. Boynton, J. Oren Belletete, and Lester F. Hammond.

Yours very truly,

CAMP, DRESSER & McKEE

DARRELL A. ROOT
